## Our Story

The Moondance Bar & Grill was opened in January of 2000. Several years prior to opening, Gloria and Brad Hanson had searched for a small community in the Northwoods that would support a restaurant and bar, where only the finest foods available could be served in a simple fashion.

The theme of Moondance is a casual environment, where all people can feel comfortable and enjoy good conversation, great food and drinks with a terrific view of Mill Lake. The name Moondance was inspired by the song written by Van Morrison in conjunction with the natural Northwoods setting where we are now located. We hope you find your experience with us to be very fulfilling. If you sit back, relax and enjoy yourself, you may even experience a little Moondance magic.

\*Whether dining out or preparing food at home, consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.

*Moondance accepts cash, Amex, Visa/Mastercard and Discovery for payment, Checks are not accepted. There is an ATM on-sight for your convenience. Service can be improved by combining the total for the table. Separate checks can be prepared if necessary. Thanks for visiting with us and come back soon!*
